THIS HAS
BECOME TIRESOME,
DEJAH THORIS.
I CAN
HEAR YOU.

DID YOU
KNOW THAT YOU
HAD A CHOICE OF
ONE DIRECTION
THAT LED TO THE
OUTSIDE, AND
THE OTHER
LED FURTHER
INSIDE?

YOU CHOSE
THE LATTER.
YOU ARE
DONE.

G A A A A H !

VORO ALWAYS GIVES US SAMPLES OF THE PRODUCT. OUT OF DECENCY TO US. LETS US TASTE THE MEAT. I AM SURE I HAVE TASTED BETTER, BUT...

I REGRET THAT I DID NOT TASTE YOU LIKE THE OTHERS WILL.

DEJAH THORIS AND THE GREEN MEN OF MARS PART 4

WRITTEN BY MARK RAHNER. DRAWN BY LUI ANTONIO. COLORED BY ÁRISON AGUIAR, LETTERED BY MARSHALL DILLON

"I thought of something later. Many of the men I fought alongside found no glory in battle as you and I do."

"In fact, a portion of them found it deeply traumatic, if you can imagine that."

"WITH DIFFICULTY."

"Some of them suffered a lingering stress after the trauma, Tars. They were never right again."

"YOU TRULY COME FROM AN ALIEN WORLD."

"Well, maybe not quite so much. I started doing some of the mental mathematics, and a couple of things occurred to me."

"Dejah Thoris said that some long-standing hatreds and histories don't evaporate the instant peace is declared."

"NO."

AND MY PRINCESS--MY BRAVE, STRONG, WARRIOR PRINCESS... OUTWARDLY SHE'S BEEN RUMINATING, LATELY.

YES!
TRY IT AGAINST
ME! THERE IS
NOTHING THAT
WOULD--

OHNNNN!

WELL, YOU ARE *TRULY* INCOMPARABLE, THEN.

AND I BELIEVE I HAVE SOME IDEA OF OTHER THINGS YOU WERE KEEPING TO YOURSELF, AS WELL.

TELL ME.

SOME THINGS THAT HAPPENED TO YOU *LINGER*. HAUNT YOU. I SHOULD HAVE PAID BETTER HEED.

SOMETIMES IT IS NOT PRESENT. THERE ARE TRIGGERS.

AND YOU PUT ALL THIS TOGETHER IN SPITE OF WHAT YOU WERE FEELING. YOU'VE BEEN BEARING GREAT BURDENS ON YOUR OWN, EVEN FOR A PRINCESS.

SO...GIVEN ALL THAT...GIVEN WHAT VORO DID TO YOU...*TRIGGERING* WHAT YOU'D KEPT DOWN, AND THEN SOME...

HOW IN THE WORLD DID YOU CONTROL YOURSELF WHEN YOU WERE IN THE WORST THROES OF IT, AND YOU SAW TARS? I WOULDN'T THINK YET ANOTHER GREEN MAN IN THAT SITUATION WOULD EXACTLY HAVE A *CALMING* EFFECT.

NO, BUT MY FRIEND TARS DID.

WHAT SHE DID TO *FOUR* THARKS ON *HER OWN*, CARTER. THAT SHOULD MAKE YOU PROUD! *FOUR* OF THEM!

OH, IT DOES. AND IT SCARES ME A BIT, TOO.

HA!

"NOW I WILL TELL
YOU WHAT I DID
NOT UNDERSTAND,
DEJAH THORIS."

"What,
Tars?"

"YOU DID NOT
ALLOW ME TO
FINISH VORO. YOU
WOULD NOT FINISH
HIM YOURSELF."

"I wanted
to."

"YES! AND IF I
COULD BARELY
STOP MYSELF,
THEN YOU..."

"It was a cold
calculation,
Tars."

"We got names of
the gourmands.
His buyers."

"Voro is shamed.
Mutilated. Alone."

"YES, ADMIRABLE. BUT
A THARK WOULD HAVE
WELCOMED DEATH.
INSISTED ON IT."

"AND YOU GOT
VORO TO MAKE
A DEAL."

"He did a cold
calculation of
his own, Tars."

"SHAMED AND
MUTILATED, THOUGH.
I SEE NO POINT."

I DID
NOT KNOW HIS
MATH. ONLY
MINE. OURS.

DYNAMITE®

IN THE NEWS - MAY 2013

ANDY DIGGLE'S UPCOMING UNCANNY SERIES FROM DYNAMITE BLENDS PARANORMAL ABILITIES WITH FAST-PACED CRIME THRILLS

Dynamite proudly confirms that fan-favorite writer Andy Diggle (*Daredevil*) will helm the new series *Uncanny*, set to launch in June as the second title in its burgeoning Crime Line. Illustrated by the immensely talented Aaron Campbell (*The Shadow*), *Uncanny* #1 will ship with two covers by superstar artists Jock (*The Losers*, *Detective Comics*) and Sean Phillips (*Criminal*, *Fatale*), split in equal ratio. A special exclusive variant will be available as well, featuring the artwork of Dan Panosian (*Avengers: Citizen Kang*) and offered only to comic fans who enroll in subscription programs with their preferred comic book retailer.

Uncanny introduces Weaver, a man born with an uncanny ability that allows him to steal other people's skills - their memories, abilities, and expertise - for a limited time. A man with a power like that could change the world; but as a professional gambler, con-man, and thief-for-hire, Weaver prefers to look out for Number One. That is, until he finds himself drawn into a dangerous game of international intrigue where the rules

keep changing, the players are hidden... and the first thing he stands to lose is his life. And maybe, just maybe, he isn't so unique after all...

The anticipation for Andy Diggle's new *Uncanny* series has been building since New York Comic-Con 2012, when it was announced that the red-hot writer would be helming an upcoming, yet unspecified series as part of Dynamite's highly-touted Crime Line. With a huge list of high-profile comics under his belt (including *Daredevil*, *Hellblazer*, and *Thunderbolts*), plus as one of the industry's premiere writers of crime fiction thanks to his acclaimed work on *The Losers*, Diggle will certainly bring a wealth of genre experience and edgy innovation to the new Dynamite launch, a title with the foreboding tag line: "Six billion skill sets. One last chance."

"I'd been talking to Nick Barrucci off and on for years about doing something for Dynamite, and I'm thrilled that we've lined up a project that pushes all of my buttons," says Diggle. "*Uncanny* is an edgy, fast-paced crime thriller with just a hint of the paranormal. In other words, exactly the kind of comics I love to write - and to read. It's very freeing, not having to pull your punches, to be able to present new characters without the reader knowing their entire life history in advance. Instead, the reader gets to discover this new world as Weaver does. They go on that journey with him. And it goes to some pretty dark places."

"Andy Diggle is one of the most incredible writers in comics today. As a fan, I find each series that he writes more engaging than the previous one," says Nick Barrucci, Dynamite's President/CEO. "I enjoyed his *Hellblazer* run, but when I read his *Green Arrow: Year One* and *The Losers*, I wanted to read more of Andy's work and sought out his earlier comic series to read. And I'm glad I did! Having now read much of his body of work, I have a deep respect for his skill as a writer. After several years of exclusivity with DC and Marvel, I'm excited that Andy will be working with Dynamite on a series and genre that he loves. *Uncanny* is going to blow everyone's minds."

Uncanny #1 will be available for comic retailers to order through the April Previews catalog, corresponding to June-shipping products.

NEXT ISSUE:

ISSUE #5

To keep the peace, Dejah Thoris must keep a dreadful secret - the inhuman acts she witnessed and endured at the hands of outlaw Tharks. To reveal such horror would break the alliances that John Carter forged, pitting all of Mars in a race war. But the price of her secrecy grants the brutal Cult of Hok free reign to launch a terror campaign of their own!

FEATURED REVIEWS

MISS FURY #1 (UNLEASH THE FANBOY):

"The gist of Miss Fury's birth is never drink anything in Africa. Or do, and become an awesome Cat Lady Sex Goddess with a small klepto fetish. The art... is phenomenal. I heartily look forward to the second issue and give this one a five out of five. I have no complaints and I feel like it has started with a great platform to launch from."

MISS FURY #1 (BORG.COM):

"Writer Rob Williams immerses the reader in the middle of Miss Fury's first predicament in issue #1, before providing some needed origin backstory. (He) keeps true to the character of the 1940s with updates for 2013 audiences and provides enough to keep readers coming back for more next month."

MISS FURY #1 (THE GEEKALITY):

"This is a very cool story filled with sex, violence and time travel right out the gate by Robert Williams. Herbert's art is very sleek with several sexy images of our main character Marla Drake. ...I am excited to see where this book goes"

MARK WAID'S GREEN HORNET #1 (GEEK OF OZ):

"*The Green Hornet* #1 is just another reason why Mark Waid is the writer to follow. As he did for characters like *The Hulk*, *Daredevil*, and *Superman*, Waid made me fall in love with the *Green Hornet*: a character I previously didn't give a toss about. It's well-paced, punchy, and well worth your four bucks."

MARK WAID'S GREEN HORNET #1 (BROKEN FRONTIER):

"With strong art from Indro and industry icon Waid elevating his game as befits a character of such pedigree, Dynamite's new ongoing will without a doubt position The Green Hornet at the forefront of cutting edge super-hero fare."

BIONIC MAN ANNUAL #1 (COMIC BOOK THERAPY):

"Beatty writes a fast-paced and action-packed story. Annuals are usually high octane events that give you a one-shot story while setting things up for the future. Beatty does that well."

BIONIC MAN ANNUAL #1 (UNLEASH THE FANBOY):

"Fluid and fast-paced!"
