IN THE NEWS - JANUARY 2015

HISTORY'S MOST INFAMOUS HORROR ICONS, VLAD DRACULA AND ELIZABETH BATHORY, COLLIDE IN NEW *BLOOD QUEEN VS. DRACULA* MINISERIES

Dynamite Entertainment proudly announces the first-ever confrontation between two of its premiere horror characters in *Blood Queen Vs. Dracula*, a four-part storyline scheduled for March 2015 release. Written by Troy Brownfield and illustrated by Kewber Baal, the series will debut with captivating cover images courtesy of artists Jay Anacleto, Fabiano Neves, Ardian Syaf, and Lucio Parrillo.

"Having the Blood Queen face off with Dracula seems like the most natural thing in the world," says Troy Brownfield, who introduced the villainous Elizabeth Bathory in Dynamite's 2014 series, *The Blood Queen*. "Considering that the historical personages that they're based upon come from the same area of the world, and that they've had a strong and occasionally linked profile in pop culture forever, it struck me as a pretty solid place to go. It certainly doesn't hurt that I wrote a Dracula novel, *Prince Dracula*, for Dynamite last year, either."

In *Blood Queen Vs. Dracula*, the Prince of Darkness returns from war to face a potential threat in the form of the Blood Queen. Will they become allies, or adversaries? Whatever the outcome, one thing is certain: blood will be spilled. "You always want to challenge your characters," says Brownfield. "Is there a bigger challenge for Elizabeth than the Prince of Darkness? I'm really excited at the chance to expand the Blood Queen world, and to do new and different things

with Dracula while I'm at it."

Dracula has been a staple of Dynamite Entertainment projects throughout the years: plaguing *Army of Darkness* hero Ash Williams, leading a supernatural assault on the Top Cow Universe in the *Monster War* crossover, and fighting alongside his daughter Eva in the *Prophecy* miniseries event by Ron Marz. The literary character's classic story was retold in *The Complete Dracula* in 2009, while Dynamite has also revived Dracula's long-standing feud with Vampirella, stemming back over forty years to his first appearance in *Vampirella Magazine*. In April 2014, Dynamite published the digital prose novel *Prince Dracula*, written by Troy Brownfield and told from the perspective of Mina Murray.

The Blood Queen is a much more recent addition to Dynamite canon, debuting in June 2014. *The Blood Queen* portrayed the historical "blood countess" Elizabeth Bathory as a tragic figure whose descent into villainy is not without good reason.

Blood Queen Vs. Dracula #1 will be solicited in Diamond Comic Distributors' January 2015 Previews catalog, the premiere source of merchandise for the comic book specialty market, and slated for release in March. Comic book fans are encouraged to reserve copies of *Blood Queen Vs. Dracula* #1 with their local comic book retailers. *Blood Queen Vs. Dracula* will also be available for individual customer purchase through digital platforms courtesy of Comixology, Dynamite Digital, iVerse, and Dark Horse Digital.
